RESOURCE HUNTER ANNOUNCES THREE NEW DIRECTOR NOMINEES

March 30, 2011 – Vancouver, British Columbia: Resource Hunter Capital Corp. (the “Company”) (TSX-V: RHC) is pleased to announce that it plans to nominate three new directors to the Board at its upcoming Annual and Special General Meeting to be held on 21 April 2011. The new director nominees are Mr. Guocai Liu, Mr. James Xiang, and Mr. Paul Jones. All of them bring a wealth of experience both in our principal mineral asset, phosphate, and in mining generally.

We are particularly enthusiastic about Mr. Liu joining us as he is currently the Chairman, Chief Executive Officer and President of Migao Corporation (TSX: MGO), which is a major producer of fertilizers for the expansive Chinese market and has substantial experience in the international fertilizer industry. Mr. James Xiang, President of China Mineral Resources Limited, also brings significant experience in international corporate finance, Canadian public capital markets and the mining industry. Mr. Paul Jones has a long and accomplished career in the global mining industry and has significant experience in mining and mineral exploration and development.

The Company is privileged to nominate these gentlemen to its Board.
